

# Broxburn Family Centre's **Childcare**

**Why choose us for after school & holiday childcare?** We think it is pretty simple really.....

- 1) **The Care Inspectorate grade us 'Excellent'** – so the regulator of childcare says we are the best in the area.
- 2) **Our prices are the lowest** – honest, the best can be the cheapest.
- 3) **We have our own playground and buildings** just for our kids – no adults, toddlers or teenagers getting in the way!

**Don't just take our word for it?**

Pop in for a visit! We would love to meet you. It's that much fun, your kids won't want to leave.

That's why **Play is our Work!**
